

GRAND HALF ROUND 150

A new Half Round gutter that's grand in both performance and looks!

HIGH QUALITY FINISH for CONSUMERS

- ✓ Unslotted smooth clean lines
- ✓ External brackets and corners reduce blockages and maintenance
- ✓ Fewer downpipes needed

Our Grand Half Round is cheaper than Squareline!

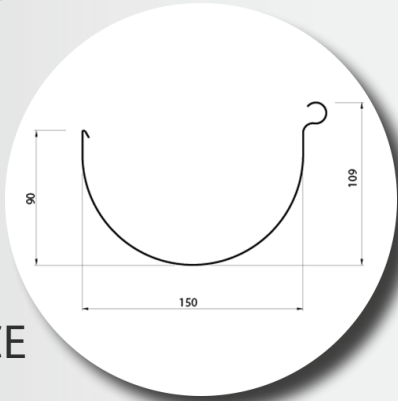

TIP: Tell your ROOFING CONTRACTOR to use PANTEX GRAND HALF ROUND GUTTER

KEY FEATURES for DESIGNERS

- ✓ Greatest water carrying capacity of any 150mm gutter - 9400mm² AS2179.1
- ✓ Integrated overflow to meet NCC2016 vol2 and AS3500.3

Available in COLORBOND® steel and ZINCALUME® steel and backed by Bluescope.

STYLE and PERFORMANCE
